

The space served as a general store from 1905 up until the mid-1960s. It then sat empty for almost half a century, until the current owners bought the building in 2016 and carefully started renovating the two retail units and the apartments above.

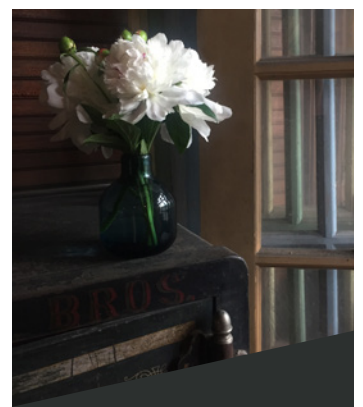

Since the restoration, the space has hosted several events and served as a gift shop.

## Incredible, turn-of-the-century commercial space for rent in downtown Thomas, WV
